Dear Mr. Sturges -

New York, Jan'y 26 '99

Miss Delina was born in Auburndale Mass.
as a graduate from the New England School at
Newtown Mass. She had been about three
years in private practice here in N.Y. - was soft of
a small Irish school in Utica N.Y.
She is rather of the true New York type of a woman.
One all like her - her lesson is her -
I suppose you have or will soon be her
and we feel "what a life with us. I hope soon

to be off for California for a month
my daughters have been mighty kind in
the matter! make me feel that they appreciate
my need and want - and to have the rest -
for their sake as well as mine -

Yours @. I

Dr. Howard -

I should be glad to enter into
an arrangement with the Boston
Lying-In Hospital upon the follow-
ing conditions: -

On or after Oct. 1, 1906, one or more
of our pupils at our option to be
sent for the 6 mos. training, one
month of the time to be spent
in district work. The pupil to
have had at least 18 months
training in this School, to include
operating-room experience.
She should wear her own School

uniform and be paid as a pupil of this school. She must obtain the diploma of the Lying-In Hospital or forfeit the diploma of this School. She must give unquestioning obedience to all rules of the Lying-In Hospital and be subject to the Superintendent of the Training School. Any instance requiring extreme discipline should be referred to me for consideration before action was taken.

Mr. Edmund Dwight,

Chairman Committee Training School for Nurses.

Dear Sir.

I should like to nominate for the Superintendent of Nurses Miss Pauline L. Doliver.

The present salary we pay the Superintendent of Nurses is \$ 1200.00. She understands that she is not to have this salary until she has demonstrated her capacity to fill the position by a years service. The first year's salary I recommend to be \$ 1000.00.

I enclose letters from Dr. Fisher and Miss Maxwell concerning her.

Very respectfully yours.
